

2024 Downtown Derby Darty Raffle Basket Wishlist

Promote your business and reach prospective customers by donating to our 2024 Downtown Derby Darty Raffle Baskets! We raffle off four (4) uniquely crafted baskets at the end of our pub crawl event that are highly sought after each year. In an effort to increase awareness of, and add promotional opportunities for, our downtown business district, this year we are asking for donations of the following items (or similar) to digitally advertise leading up to the day of the event.

How does our Downtown Derby Raffle work? Each ticket holder receives a complimentary raffle ticket with purchase, and additional tickets are for sale during the event at Jack's III Floor (\$5 per ticket or 5 for \$20). Patrons may place their tickets in the jar of the horse(s) that they think are likely to win the actual Kentucky Derby. At the end of the race, we draw from the jars of the first, second and third place winners, and combine all remaining tickets to draw for a fourth prize.

The raffle is a lot of fun, and we are excited to make it even more desirable by adding prize items from your business locations!

- Gift Cards, Vouchers, Coupons to your business location
- Unique experience packages/opportunities
 - Fishing charters
 - Classes, workshops
